# REPORT FOR 1926.

THE Committee of the Milford-on-Sea War Memorial Cottage Hospital have pleasure in presenting to the Subscribers their Eighth Annual Report.

The work of the Hospital during the past year has been normal. The number of patients admitted has been one more than in 1925, whilst the number of cases treated but not requiring admission into Hospital has increased by 124.

1924	In-patients	88	Casualties	30
1925		107		207
1926		108		331

During the month of May the Hospital was closed for much needed repairs and redecorations, whilst the installation of a new stove in the Hall effected a tremendous improvement to the comfort of the entire building, at the same time heating the Operating Theatre when necessary.

The inadequate accommodation of the present building has become more insistent during the past year. Several cases have been under treatment, the nature of the malady being such that further admissions could not be considered whilst that patient was in the Ward. Several beds thus became temporarily out of action. Again, the present arrangement of housing the staff away from the building is very unsatisfactory and wasteful financially, at the same time throwing an undue responsibility upon the Matron in the event of an emergency.

War Memorial Tablet—The names of those who gave their lives during the Great War were found to be in danger of obliteration. The tablet was therefore repainted.

Additional Medical Officers—During the year 3 additional Medical Officers were appointed, Dr. Hunter Woods, who has for many years acted as Hon. Anæsthetist to the Hospital, was appointed Hon. Medical Officer; and Dr. Robert Caldwell of New Milton, and Dr. Neville Goodman of Lymington, were appointed Hon. Anæsthetists.

Contributory Scheme—An important innovation has been the adoption of a contributory scheme of weekly payments from patients. Briefly the scheme is :- that any person whose total income is not higher than the amount allowed free of Tax by the Income Tax Authorities may, by the payment of 3d. per week, or 13/- per year, be admitted to the Hospital as an in-patient without being asked in any way to pay the usual maintenance charges of 1/- per day. The advantages of the scheme are obvious. The patient is relieved of all financial considerations, whilst the Hospital receives a regular income; the healthy paying for the sick. It is anticipated that in a few years time this scheme will constitute an important item of revenue.

The financial Report shews a balance of £56.12.0 notwithstanding the fact that the receipts from Hospital Sunday Funds dropped from £171.6.3 to £32.11.3, from the Hospital Wards £65 less was received and from the Linen Guild £32.11.3 as against £108. As to the last named it should be explained that last year £42.19.9 represented a generous gift of linen and furniture of all of which the Hospital still has the benefit.

The Hon. Secretary took over the duties from the retiring official on the conclusion of the meeting of the Subscribers.

With the object of seeing whether any improvements in the administration could be effected, an early opportunity was taken of carefully examining every detail of the working of the Hospital. With the exception of a few minor alterations it was found that the system organized by the past Hon. Secretary was the most efficient.

## ADMINISTRATION.

The Annual General Meeting of Subscribers was held at the Victoria Hall, on March 7th, 1926, the President, Sir J. Beethom Whitehead, K.C.M.G., being in the Chair.

The notice convening the meeting having been read and the minutes passed, Dr. Harris moved that the Report and the Accounts be taken as read. Mr. H. Mann seconded. The motion was carried unanimously.

Dr. Harris moved that the best thanks of the Subscribers be given to Mr. Arthur Heygate for his active, unremitting and successful service to the Hospital for the past seven years as its Hon. Secretary. Miss Agar seconded the motion. Carried unanimously.

Mr. Heygate expressed his thanks to all who had helped in the past, and wished the Hospital and his successor all possible success. Votes of thanks were then moved by the President to the Officers, Committees, Medical and Hospital Staffs, Lady Visitors, Collectors, Auditor, Clergy, Hospital Sunday Fund Committee, and all other workers for the Hospital. Carried unanimously.

Mr. Hardman moved a vote of thanks to the Linen Guild, seconded by Mr. Day, and in the absence of the President, Mrs. Harris, was acknowledged by Mrs. Heygate.

The re-election of the President was next moved and carried by acclamation, followed by the re-election of the Chairman. The Vice Chairman and Hon. Treasurers were also re-elected.

Mr. Edwin Noble was elected Hon. Sec. on the motion of Dr. Harris, seconded by Mr. Wylie. There were eleven nominations for the seven vacancies for the Committees. The following were elected:- Mrs. Christie, Mrs. Fairbairn, Miss McDougall, Mrs. Lewis, Col. Lloyd, Mr. S. White, Miss A. Warren

The meeting concluded with a vote of thanks to Sir Beethom Whitehead for presiding at the meeting, proposed by Major Bright, seconded by Captain Goodhart.

## GIFTS.

The Wireless Set, presented in 1924, has now been supplemented by the gifts of 4 pairs of head-phones from Mrs. Allen and a pair by Mrs. Cotton, and through the kindness of Mr. Hames plugs have been fitted at the head of each bed, thus enabling every patient to enjoy the entertainments at will.

The Hospital benefited to the amount of £6.7.4 through the kindness of Miss B. Samble and Mr. Samble, who organised a competition on the Putting Green in July. The prizes, 18 in number, were generously given by various residents in Milford, Milton and Hordle.

A Dramatic Entertainment given on December 27th and 30th, at the Victoria Hall, by the Milford Dramatic Society, resulted in the sum of £14.18.4 being handed over to the Hospital which will appear in the receipts for 1927.

The customary Hospital Carnival Week in August was abandoned, but Messrs. Hardman, Arnold, Nicklen, and Jupe arranged a confetti battle and exhibition of decorated tradesmen's vehicles, and prizes given by various residents were presented by Lady Whitehead for the best fancy dress costumes.

Mr. Wilkes kindly continues to give 1 pint of milk daily to the Hospital, and Messrs. Edgar & Fawcett a similar amount.

Miss Grubbe presented a cane lounge chair for the use of the patients also a handsome gift of kitchen utensils, whilst a further chair was presented by Mr. Eve.

The Guessing Competition arranged by Mr. L. Knight at Xmas resulted in the sum of £3.0.10½ being handed to the Matron, to be spent in providing additional fare and luxuries for the patients and staff during Xmas. The Committee also wish to thank those residents who kindly added to the comfort of all in Hospital during this festive season by additional gifts of poultry, wine, sweets and money.

The Annual Pounded Day was held on January 7th. Mrs. Bright with the Chairman, Dr. Harris, kindly receiving the gifts. Groceries, etc. amounting to nearly 515 lbs., Eggs 62, Potatoes 150 lbs., and a sum of £13.4.1 in money.

By a resolution passed in House Committee, it was resolved "that as the Hospital was a War Memorial Hospital, Pound Day will in future be held on Armistice Day." In order to effect this change, it was necessary to hold an additional Pound Day during the year, and 156 lbs. of Groceries along with Crockery, Coal-scuttles, Brushes, etc. and £13.16.2 in monies were handed in on November 11th to Mrs. Cowie, who kindly received these gifts on behalf of the Hospital.

An Egg Day was held on April 14th, and 764 Eggs were received and put down in water glass.

The Gifts of Eggs, Fruit, Garden Produce, Game and Poultry given to the Hospital during the year has been very fully appreciated; also the Books and Magazines. It is not proposed to acknowledge these individually in future reports, owing to the length of the list, but the Committee wish to express their appreciation to all those who have so kindly given. They also take the opportunity to point out that they will be grateful to anyone with a large garden if they could arrange to give a small but regular supply of fresh vegetables. It so constantly happens that all the gifts of this kind are given on the same day, with the result that much cannot be used.

Signed on behalf of the Committee,

V. D. HARRIS, *Chairman.*

E. NOBLE, *Hon. Secretary.*

# LINEN GUILD

FOR THE

## MILFORD ON-SEA WAR MEMORIAL COTTAGE HOSPITAL.

---

The Report of the Linen Guild for 1926 shows that no special effort to raise funds has been made. Several people were approached with a view to getting up a dance for the Linen Guild, but no favourable response was obtained. We therefore have only had our subscriptions to rely on (and a small sum of 1/6). The subscriptions fortunately have been good, though not sufficient to cover the Nurses' Uniforms for which the Linen Guild is responsible, and the usual donation to the Hospital for Drugs and Dressings has not been given.

To conclude, the total number of Associates is 9 less while the amount subscribed is £1.10.2 more, and the balance carried forward is £33.6.7 being £6.4.3 less.

The £45 on Deposit is still intact. This has been specially put aside for any unusually large call on the Guild for Linen and more particularly blankets.
